

Information about SENDIASS for children and young people

<p>SENDIASS</p>	<p>The letters in SENDIASS stand for</p> <p>Special Educational Needs and Disabilities Information, Advice and Support Service.</p>
	<p>You can get help and information from SENDIASS if you have a special educational need or disability.</p>
	<p>Special educational needs means that you need extra help to learn things.</p>

A **disability** is a physical or a mental need that makes it hard to do things like walk, talk or see.

SENDIASS can help you with lots of things, like:

- School
- College
- Health
- Care

The advice we give is **impartial**. This means that it should be the right advice for you. It does not matter what other people think is the right advice.

You can **contact** SENDIASS, or someone can do it for you.
